

Ideation Phase

Define the Problem Statements

Date	26 September 2022
Team ID	PNT2022TMID36075
Project Name	Exploratory Analysis of Rain Fall Data in India for Agriculture
Maximum Marks	2 Marks

Customer Problem Statement :

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

miro

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	FARMER	How to buy seeds in rainfall times	Wheather conditions are change in day by day	In this year pollutions and climate change will be happen	To improve the wheather stations to predict the rain session
PS-2	SELLER	How to sell my seeds in rainfall time	Wheather conditions are change in day by day	The climate changes are not predicted in before rain fall	To give more technology use in latest genretion
